Dear Prospective Student:

The curriculum leading to the Bachelor of Health Science degree has been developed by the School of Health Professions to prepare radiographers to become leaders in the profession.

Radiographers who attended a community college program may automatically transfer up to 64 credit hours. Those who received their education in a hospital-based program may seek advanced standing up to 49 credit hours for the courses pertinent to Radiography. Information is enclosed regarding the procedure for obtaining this credit. A minimum of 30 hours in residence in the School of Health Professions at the University of Missouri-Columbia is required. This may be done either by attending school on the Columbia campus or through "Distance Learning". Enclosed you will find information on the "Distance Learning" Program.

Students applying for the degree program must apply to the University of Missouri School of Health Professions and to the Radiography Program. An application for the program is enclosed. You can apply to the University by going to: <http://www.missouri.edu>.

You will also find enclosed a copy of the curriculum for the degree program. For more information, please visit us at <http://www.umshp.org/rs/>. If you have any other questions not covered by this material, please feel free to write or e-mail me at TewP@health.missouri.edu.

Sincerely,

Patricia A. Tew, MS, RT(R)(CT)(ARRT)  
Radiography Program Director

# APPLICATION TO THE RADIOGRAPHY PROGRAM - FOR REGISTERED TECHNOLOGISTS GENERAL INFORMATION

**Radiography Program  
School of Health Related Professions  
University of Missouri-Columbia  
605 Lewis Hall  
Columbia, MO 65211  
(573) 882-8405**

NOTE: PACKET SHOULD INCLUDE: 1) General Information; 3) Curriculum Guide;  
2) Application Form; 4) 3 Evaluation of Applicant forms  
5) Distance Learning Program Information

We strongly recommend that you make a photocopy of your completed application for your future reference or in case your **application is lost in the mail**.

## **I. GENERAL INFORMATION**

- A. Students who apply must have graduated from an AMA accredited program in radiography.
- B. No more than 64 credit hours may be transferred from a junior college. Students should follow the *Radiography Curriculum Guide* as closely as possible.
- C. Students who apply to the Radiography Program must have and maintain a cumulative grade point average at or above the following standards:
  - 45-59 semester credit hours - 2.25 CGPA
  - 60 and above semester credit hours - 2.50 CGPA
- D. Once accepted into the Radiography Program, a student must achieve a "C" grade or above in all required courses and earn a minimum of a 2.5 grade point average each semester. If the student does not maintain a 2.5 semester grade point average, the Radiography Program faculty will review the situation with the option to recommend dismissal.
- E. Specific information concerning fees should be obtained from the Admissions Office, 230 Jesse Hall, Columbia, MO 65211 (573-4-882-7786). Financial assistance information may be obtained through the Office of Student Financial Aid, 11 Jesse Hall (573-882-7506). Distance Learning applicants may obtain fee information from <http://MUDirect.missouri.edu/prog/CT.htm#fee>.
- F. Successful completion of this program will entitle the student to a Bachelor of Health Science - Radiologic Sciences degree.

## **II. APPLICATION PROCEDURE** (Read all materials carefully and follow instructions)

### **A. All student applicants must:**

1. Return the completed application to the Radiography Admissions Committee, 605 Lewis Hall, University of Missouri-Columbia, Columbia, MO 65211.
2. Distribute three *Confidential Evaluation of the Applicant* forms to individuals in **two** of the following categories: 1) supervisor or employer, 2) college professor, 3) high school teacher,

4) athletic coach, or 5) clergy. These will be sent to you with the application form. Evaluations must be received **BY THIS OFFICE DIRECTLY FROM THE EVALUATOR.**

3. Forward your American College Testing (ACT) Assessment Scores to this office. The scores may be recorded on your high school transcript (send photocopy) or may be available through the testing agency. If you took the SAT or GRE, these may be substituted. **Students without an ACT composite score of 21 or better do not have a high probability of acceptance unless other aspects of their academic record are extremely strong.**

If you have not taken the ACT, SAT or GRE or wish to update your scores, the **ACT test** is available through the University Test Administration Services Office, 205A Parker Hall. Call two weeks in advance for an appointment (573-882-4801). The cost is \$50.00; bring a photo I.D. with you. If MU is not convenient for you, check your own school's testing office to make arrangements for the exam.

## **B. Transcripts**

1. **University of Missouri-Columbia students** - The Admissions Committee will obtain a transcript directly from the Registrar's Office for those applicants who are attending school on the MU campus for the current Fall Semester.
2. **Non-University of Missouri-Columbia students** - You must send transcripts of completed college work from **every** school attended to:

**Radiography Program  
605 Lewis Hall  
University of Missouri-Columbia  
Columbia, MO 65211**

3. Transcript from your Radiography Program if it's a certificate program.

## **III. PROCESSING APPLICATIONS**

- A. The Admissions Committee will review and evaluate each applicant's packet **when it is complete.**
- B. You may telephone the Program Office if you have not received a response to your application within two (2) months.
- C. Accepted students and those not accepted will be notified by **mail.**

## **IV. ACCEPTANCE TO THE RADIOGRAPHY PROGRAM IS CONTINGENT UPON:** Acceptance by the University (non-MU students).

**We wish you success!**

The Admissions Committee  
Radiography Program  
University of Missouri-Columbia

## **ARTICULATION GUIDE FOR REGISTERED TECHNOLOGISTS**

Students who have completed an AMA accredited program in radiography may receive credit toward the bachelor of health science degree in the School of Health Related Professions in the following manner:

**Graduates of an Associate Degree program**

1. College level courses taken at an accredited college with a grade of C or better will automatically transfer.
2. Student must have successfully completed the ARRT certification examination and show proof of this.

**Graduates of a Hospital-based program**

1. Advanced standing may be requested for radiography courses in which the student received a grade of B or better.
2. Radiography courses in which the student received a grade of C may be challenged by taking a departmental test. If the student makes at least 75% on the test they will receive credit for the course.
3. Courses in which the student received a grade lower than a C must be repeated.
4. Advanced standing will not be applied until the student reaches his/her final semester.
5. Student must have successfully completed the ARRT certification examination and show proof of this.

**The above information only applies to students whose application is approved by the Admissions Committee.**

The above has applied for admission to the Radiography Program at the University of Missouri-Columbia and has given your name as a reference. Place an (X) in each category where it best describes this applicant. All information will be kept in confidence.

**1. Industry:** Willingness to work; work habits; zeal; perseverance

Lazy; little or no effort     Seldom completes work     Ordinarily completes work     Occasionally does extra work     Does extra work gladly

**2. Thoroughness:** Accuracy; carefulness; definiteness; exactness

Careless; work is always incomplete     Expresses ideas carelessly, inaccurately     Work generally completed and reasonably accurate     Careful work; accurate     Very careful and thorough

**3. Initiative:** Intellectual curiosity; originality; willingness to attempt new ideas; asks questions; shows interest

Never tries anything new     Seldom originates any work; follower     Sometimes attempts new ideas     Often initiates undertakings     Marked ability to think independently; carries out ideas

**4. Reliability:** Dependability; good judgment; honesty; ability to get along without supervision

Dishonest; neglects obligations     Often needs supervision     Has to be prompted; sometimes reliable     Usually assumes obligations     Thoroughly dependable

**5. Cooperation:** Ability to get along with others; adaptable; tactful; agreeable; cheerful

Disagreeable; neglects obligation     Slow to respond; not willing to help     Tends to be agreeable and willing to help     Does well in team work; agreeable     Always willing to help others

**6. Emotional Control:** Poise; ability to handle stress

Very poor control of emotions     Occasionally loses self-control     Fairly well-balanced; good control     Well-balanced; poised     Unusual poise

**7. Intellectual Capacity:** Intelligence; natural ability to succeed in academic effort

Very slow to learn; lowest fifth     Needs to make extra effort to keep up     Average intelligence     Quick to grasp subject     Gifted; highest fifth

**8. Recommendation:** Based on the ratings on this form, this applicant is:

Not recommended     Recommended with reservations     Recommended     Recommended with confidence     Very highly recommended

How long have you known this applicant?

In what capacity have you been associated with this applicant?

## **Degree Completion Program**

### **Radiography Distance Learning**

Students entering the Degree Completion Program in Radiography must have graduated from an accredited program in Radiography and passed the national certifying examination given by the American Registry of Radiologic Technologists. Those coming from an associate degree program will automatically transfer their credits for the courses in radiography. Students who graduated from a certificate program may apply for advanced standing for any course in radiography in which they received a grade of B or better. Courses for which they received a C, they may challenge. If they receive 75% or better on a challenge test, advanced standing will be applied for. Any course in which they received a grade below a C must be repeated at this institution. The courses for which advanced standing or transfer credit can be obtained amount to 49 semester credit hours.

The general education courses required by the program may be completed at any accredited college/university with the approval of the University of Missouri-Columbia radiography faculty. This approval is intended to ensure that only MU equivalent courses are accepted. At MU this accounts for 54 semester credit hours. Some of these courses can be taken through Independent Study at the University of Missouri-Columbia. A catalogue of courses is available from The Center for Distance and Independent Study, 136 Clark Hall, University of Missouri-Columbia, Columbia MO 65211; 800-609-3727; [cdis@missouri.edu](mailto:cdis@missouri.edu); <http://cdis.missouri.edu>.

The remainder of the program must be completed through Web-based courses offered by the University of Missouri-Columbia Radiography Program. These courses consist of the following:

|                 |  |                   |
|-----------------|--|-------------------|
| RS 3150         | Radiologic Pharmacology (Summer)                   | 3 hrs             |
| RS 4110         | Sectional Anatomy (Fall)                           | 3 hrs             |
| RS 3460         | Cardiology I (Fall)                                | 3 hrs             |
| RS 4955         | Introduction to Research (WI) (Summer)             | 2 hrs             |
| RS 4440         | Organization & Administration (WI) (Fall)          | 3 hrs             |
| RS 4150 or 4140 | Computed Tomography or Magnetic Resonance (Winter) | 5 hrs             |
| RS 4946         | Advanced Imaging Externship (Summer, Fall, Winter) | 3 hrs             |
| RS 4085         | Problems in Medical Imaging (Summer, Fall, Winter) | 1-3 hrs           |
| <b>Total</b>    |  | <b>23-25 hrs*</b> |

\*An additional 7 hours must be taken through the University of Missouri-Columbia. This can be done through Independent Study. See above.
